“ Katheryn was the most generous person I have ever known. She gave of herself, not only to members of her family, but to many, many other people. She was my cousin, but our bond was much stronger than cousins. For all of my life she was my role model and I cannot imagine my world without her in it. My memories of her are too numerous to begin to mention on this page. I loved her so much, and I will miss her more than I can express.

“ Moms live in a special place in the hearts of their children. That's why mothers will continue to live on even after they are called to eternity. May you find peace and comfort in God, Family, and Friends.

My prayers and condolence to the Shipp family.

“ I'm so sorry for the loss of your beautiful mother. She was always a ray of sunshine and I'll miss her. Selfishly, I'll also miss her cooking and how much she loved her family! And I'll think warmly of her when planting my flowers this spring  
Peace and love to you Shipp family!
