“ Sad to say goodbye to a friend! 😭 I have many fond memories of Ab but especially the years at Park West where our family got to know him and his family. He was truly a gem, he had a personality and a love for people that you never forgot. Years would go by that we may not cross paths, but yet no matter how long are wherever you met up he knew you and had something to share with you, especially about his family and the times we shared in the past. Last time I saw him he and Leigh were at Lowe's and whenever I saw him he would always have that big smile. Before our conversations he would first ask how's that Todd doing. I will treasure the memories of knowing him and his family through the years. I know he will truly be missed by all his family and friends for he was Very Special! May God Bless and Comfort each one that had the honor of knowing him! 🙏💔
