“ Sincere condolences extended to Mrs. Hughes' family. She was a wonderful teacher who prepared all students for life through high standards of education at Majestic Elementary School. Primarily she was a stern disciplinarian, and an authoritative "follow all of my rules and all school rules or be ready to suffer the consequences." :) Her expectations for learning were unquestionably 'on- time assignments and preparedness for all tests.' She was a dedicated, loyal teacher that all parents could depend upon to educate their children to the fullest. She was known for requiring a strong environment for learning by fostering order, respect and discipline. She influenced student's lives for betterment and personal accountability, thereby impacting future generations. 'Blessed are they that mourn, for they shall be comforted.' Matthew 5:4, Sincerely, Carmen Todd Belcher.
