“ *Mom, I pray that you, pop and rob are together now. Me and pop talked quite a bit about what heaven would be like. Now he knows. Rob's death was a complete shock. I think that God just decided to release him from all the stress he was under and about to face. Mom, Tell pop that I miss him terribly. All of you. My god, how can I be the last remaining member of the family? I wish I could see where you were if only for a moment. I have lost everyone. If you know of this message, then please pray for me. I am approaching the end. I cannot overcome this grief. Please ask God to forgive me . How I miss all of you. Without Terilyn and Andrew I would have already been gone. They are the only reasons I stay. Love Mike*
