“ To each of you, my friends, so very sad about the loss of your precious one, Costa "Baby" as we called him growing up. Remember the good times we shared at our parties "Weiner roast" & then our time spent on the school bus & at school. He was "the best" of a friend. Will miss him as I drive by his house & not see that big hand wave he always gave as I passed by. Also remember those Sunday nights that we all walked to Church as one big bunch of best friends (teenagers). Praying for you that God will give you peace & comfort as you begin this journey without your loved one.
