“ *Bambi Jo you took a huge part of my heart last week. You have the biggest heart and gave so many more chances than they ever deserved. If anyone on God's green earth ever love me it was. My life will never be the same again, but as you mother I know you are no longer in pain mentally or physically! My selfishness wanted to keep you here no matter. I know you're now with Nonnie, Paw-paw, Maw-maw, Chris, Dwight, Edith, and And Amanda but still wish you were here!* ”

“ *Bambi, you were a beautiful person. With such a BIG heart. Just a couple of years ago we went camping at Guntersville it bothered you so much to bait the hook you worried about hurting the worms. I really believe that is one of the reason wanted to go home the sunburn was the second reason. Well baby girl you rest now in the arms of Jesus.*
