“ You are so missed! I still don't believe that you are in Heaven...it seems like you are on a trip and will be back in a few weeks. I hear you in my head, giving great advice and making me laugh. We are loving on Dad the best we can, but you are a hard act to follow. Thank you for giving us the gift of family. We miss you and love you every minute.

“ Hi Baby Girl, Miss you soooooo much. You've been gone too long. It's tough here but the girls and Mike are helping to get through this. Still a long road. You were my everything, my soul mate, my forever love. The solace is knowing where you are, the best place we all pray to be when it's our time. No pain or suffering, no sorry, no anxiety or insecurity and no worry. You are having a glorious reunion. I pray every night that when it is my time to join you that you will be at the side of the greeter to heaven. That we can hug and kiss and you walk with me through the gates. That we can renew the great love story we started on earth. This one will last forever! A lot of work still to do here to prepare but I will get it done so the kids don't have a mess to deal with. If you have a chance touch me with your grace. Candles light for you each night. Write you again soon

*Love you forever and a day, your soul mate Rick*
