“ As a child I loved the memories how she would take all the cousins to a swimming pool in Pinson and we spent the day. After lunch we all had to sit for 30 min. on the side of pool to let food digest. So funny now.

Loved her dearly! Such a great lady! Scott and Bobby were great couple together.

Dee Dee, I'm so sorry to hear of the death of your mom. She had a good long life , but never long enough for her family members. I'm so sorry I didn't know until now as I certainly would have been at her service. . I so regret I didn't see all the family. Please extend my deepest sympathy to all your family, and to you especially. Love you .

“ Barbara was a big part of my life. A very good friend of my mom. Help me and my husband get ready for our wedding. Hiding our car haha that didn't work. She was there for me when I lost my son. I just can't believe her and Scott are both gone but they are together again in a much better place. such a sweet family that I will never forget. Love to you all. Donna Marlin

“ I'm sorry you hear about your mama DeeDee. She was such a character! She always had a smile on her face and greeted me like she was so glad to see me. No matter where it was she was happy to see you! I can remember her sitting at the Ballpark. I know my mom and dad thought a lot of your mom and dad. Just know that people care and share a little grief with you for having lost our own parents. Nothing like your mama! Love you
