

Barry Neal Fultz

October 19, 1962 - June 30, 2025

Barry Neal Fultz was born October 19, 1962 in Decatur, AL and passed away peacefully at home on June 30, 2025 in Pinson, AL at the age of 62, surrounded by his family.

Barry built a life of relationships. His most important relationship was with God. God was the center and also the foundation that Barry built all of his other relationships on. His marriage to Sarah, being a dad to their 3 children and 2 bonus daughters and an Opa to his 2 grandchildren were some of his most treasured relationships. Barry spent the last 21 years building relationships with his church family at Edwards Lake Church of Christ. There he served as teacher, deacon, elder, friend, brother and mentor. His bond with the friends at this place have been trusted and strong. He especially had a heart for young people and was lovingly referred to as PePaw by some and Mr. Barry by others. As a husband, dad, son, brother, uncle, co-worker and friend, he had a big heart to share...a bit of advice, a bit of correction, a bit of encouragement, a bit of sarcasm and always a dad joke.

He is survived by his wife of 36 years, Sarah and their 3 children; Davis Fultz (Brittany), Nathan Fultz (Ashley) and Sandlyn Fultz and their 3 grandchildren, Molly, Tucker and Baby Fultz that is due in August. Barry is also survived by his father, Donald Fultz and sister Machel Tatum (Mike) and several nieces and nephews. Barry is preceded in death by his mother, Frances Mae Fultz.

“ *Barry was a very special friend to us. Bill loved Barry's cheese straws sooooo much! They were the best . Barry loved Coconut Cream Pie also . But his family didn't care for it. I always tried to get him one when it came time to celebrate. Having a hard time don't think I will be able to eat it anymore without my heart hurting for the loss of such a very special friend. You left a wonderful mark on this world . You made a difference in so many people's lives. Love you and your special family so much!!!!!!❤️*

“ *My condolences to you Sarah, Davis, Nathan and Sandlyn. Barry was always kind and positive to me in my college days and 20s. I looked up to him and it was always a happy greeting back when y'all went to Lakeview. Mom & Dad (Joe and Gayle) adored Barry and your whole family. They loved him and you all like their own children. We can't bring them back, but we can go to them through the grace of our Father and Savior. Will be praying for your comfort in the coming days and that you find that in Scripture and fond memories of your man of God. Love, Tim Garrison*

“ *Barry made excellent cheese straws, liked pepper on his cantaloupe (or was it watermelon?!), and was a most excellent friend and a giant among servants of our Lord! I hope all the memories will sustain you through the coming days, as will the comfort and care of our good, good Father. Sending so much love and hugs to you all.*
