“ Words can not express the love I have for sweet Betty. I met Betty at church and we became the best of friends. She had such a joyful manner about her and such a great sense of humor. Every conversation we had there was always laughter. I will miss her. Rest In Peace my dear friend.

“ *We served the Lord together in the Junior High Dept in 1975 until we moved in 1985. I admired her and loved her. She and I have been playing Words With Friends for several months. She won most of our games. I will miss her. I have fond memories of her and her family. I started going to First Baptist Church in 1949 so I guess I am an "old timer". One of these days we will all be together again.*
