“ *Dan's family has become my family, and Betty was very special to me. She and Raymond used to bring their children to Six Flags every summer. They would always spend the night at our house. We have many fond memories of them and feel very close to their children and grandchildren. She will be missed by all of us - as the oldest of the girls - but she is no longer suffering, and she is with the Lord and reunited with Raymond. What a happy reunion it must be.*
