“ Dear Lee,
We are so sorry to hear about your Father's passing.
We did not know him, except through your wonderful words we heard you speak of him. Among other things, we remember you once said that "he was a real hero" and we realized how much you loved him, and understood all his sacrifices and hard work for his family, his community and his country.
We feel sure he was as proud of his family, as you were of him; and his love was as great for you all, as your love was for him.
Thinking of you and your family with sincere sympathy, good blessings and prayers.
With Love, Jim and Lou Farmer
