“ *Bubba, I cant even explain to everyone your heart of gold unless they knew you. You was one of a kind. You was not only my brother and best friend but you was a father figure most of my life. You led me to god and I'll forever be thankful for that. You was the best uncle B in the entire world to my kids and they will never forget you. I'm replaying every moment we had together and I find peace knowing you won't hurt anymore. Always on my mind and forever on my heart. I love you so much bubba,

“ *Brandon was a great person with a good heart. The memory I have best of Brandon was him introducing me to laser tag. He was funny and full of life. May the Lord be with him and may the Lord comfort his family and friends in this moment in our lives.*
