“ *I always enjoyed speaking with Brian at Enon's church functions or services. He was always sure to bring Abbi for fun, daddy-daughter dates when the church had inflatables and food. Brian also brought Abbi to church services. I remember how attentive he was whenever he was with Abbi. It truly blessed my heart.*

*Please know that Brian's family are in our daily prayers.*

“ *Brian Parker at the age of 4 had a soft spot for older people and animals in need of healing he always helped our older neighbors go up their steps by holding their hands then he would come strutting back to the house, bragging about what he had done, he never wanted anything in return for his good deeds*
