“ Two little girls in a 1962 Chevy waiting on parents to come on out and get on the road, I can't recall where we were going. Someone accidentally knocked the car out of gear (me of course) Carol and I jump out of the car, holding on to that back bumper .....like we could stop it from rolling:) Just in time, daddy to the rescue! We all were okay and the car was never knocked out of gear again!  
We will one day see each other again and take a spin in a 62 Chevy, petal to the floor and having fun!
