“ I am so very sorry for your loss. Cheryl, I always remember your mother smiling and laughing and loving everyone around her. She lit up a room. May the memories of her grace and love and the knowledge that she left such a great legacy of love comfort you. Love you, Jane Bagwell Forehand

“ I don't think I could share just a single memory. She welcomed everyone she met, came with smile and you walked away from the smallest encounter feeling better about your day. Always a breath of fresh air, a ray of sunshine, and one to share a laugh with others. I am blessed to have known her.
