DG

“ *I worked with her , She was a quite and was a worker in all things she did. I have thought of her many times. She will live in my heart due to her kindness and steadfast ways. I remember her goats that she had that she brought the new kids to work for all of us to see. That was a great day , from a humdrum work day. I think she did things in small ways with great love. David Green and family*
