“ Marie was known for her cooking. It was outstanding. She was the best baker too. You needed a cake she would make it from scratch. Even though she shared the recipe for it, it never came as the same. She would always say that she put extra love into it. She was the best aunt anybody could want. She was a very giving person whom would give you the shirt off her back if you asked. I didn't have a good mother, so she took me under her wing and taught me just about everything I know about cooking and life in general. I'll always love you. You will always be in my heart. 💕💕
