“ Charlie, and I shared old memories together ; about our time in the Navy, I too was in the Navy about the same time as Charlie, He was on A BIG SHIP, I was on a 36 ft. Fast Boat all made from wood and fiberglass. He would make sport of my (SHIP) ? I would through it back at him,, OLD BUDDY while you were at sea I was living in barracks , wearing CIVICS , while you were waring Your Dixie Cup. I was chasing Women, having good old Shore- Duty I tried to come up with , when He went in the Navy and where did he go to Boot- Camp? My time was from: 11/28/1957 -- 2 /25 / 1958 San Diego , Company 478, our time was about the same, We never got around to figuring it out. CHARLIE WAS ONE FIND PERSON, good Friend and wonderful Ship-Mate.

“ What a wonderful man. I remember him working on his car in Uncle Robert's yard while he listened to "Wake Up Little Susie" on the radio. I was five years old. I've loved him all my life. He's with Mamaw and Aunt Willie and Uncle Cliff and all the others now. I love you forever, Charles!
