

Christopher John Atkinson

January 27, 1974 - June 7, 2023

Christopher John Atkinson, 49, of Warrior Alabama was released from his long battle with cancer on June 7, 2023. He was born January 27, 1974 to Dana John Atkinson and Ann Elizabeth Atkinson.

Chris was a most loving and devoted husband, father and son. He is survived by his wife Miranda, his two sons, Aidan (12 yrs.) and Chace (10 yrs), his father Dana (Melba) and Mother Ann (Jane), his sister Kelly Chapman (Chris) and brother David.

Chris was born in Atlanta, Georgia and grew up in Birmingham, Alabama. He graduated from Berry High School and soon thereafter began his career in construction. Chris was blessed with a special talent to create and construct and he used his talents as a Construction Superintendent most recently with Rives Construction. At home, he used his artisan skills with wood to craft beautiful furniture, often gifting his family with pieces of his work they can cherish forever. He was diagnosed with an aggressive form of cancer in August of 2020. Chris took the love he had for family and used that energy to wage an incredible battle against a very aggressive form of cancer.

Chris, always loving and kind, will be greatly missed by his family. They will celebrate his life on Friday, June 16, 2023 at the Gardendale Heritage Funeral Home Chapel with visitation at 1 PM and a service at 2 PM. In lieu of flowers his family has asked for contributions to be used to help pay for his medical care. A GoFundMe account has been established in his name: <https://gofund.me/1b2e850d>
