“ Wayne was always so kind. He loved everyone and was a huge part of the Misty Pines community, even singing Christmas Carols with several of us in FREEZING temperatures!! I remember every Halloween when he would ride the 4-wheeler through the neighborhood making sure we were all having a good time ! 😊 And his laugh was unmistakable and infectious !!! Also, he and you were so involved with everything Robbie did, especially with the band !!! If something needed to be done Wayne was right in the middle of it. Wayne was such a special person and very special friend. I hope all of you can find peace and comfort in the Lords arms through this journey. We love you all and are keeping you in our thoughts and prayers ❤️

“ One time Wayne gave me a tour of his work at Stephens Graphics. It was really something to see. You could tell Wayne loved his work and was proud to show off his workplace. He was a hard worker. They printed all kinds of big jobs there. Brenda, I am so sorry for your loss & pray for you & Robbie to find peace with Wayne's passing. I love you guys.

“ I can remember going to school with Wayne as far back as Majestic and then we graduated from Jordan the same year. We even stayed friends after high school for a little while and then life carried me and all of my friends in different directions. I'm so sorry to hear of his passing. I will keep the family in my thoughts and prayers.
