“ *My deepest sympathy. Coy was so special and taught me that it was ok to play in the dirt! I took him to the dirt bike races when he was little and he had me running all over the place and of course we got dirty, but he said "it's ok we can wipe it off". 🤗💜*

“ *I remember Coy as a good kid always yes sir and no sir. He would always help at the drop of a hat. He had a kind heart. I remember one weekend him and his dad were at the club hunting. Lynn was going to his climber. So Coy went with me so we could be close to each other. We were hunting two different fields but you had to walk through the first field to get to the next one. Well he was young and when he got out of sight on the trail. All of a sudden he came running back and said there's pigs in there. I told him to go on and if he sees another one shoot. He was so excited. He didn't shoot and we Finnish our hunt. Great kid he will be surely missed. God speed Coy rest in peace till we meet again.*

“ *I loved this young man more than any one knows. I know how kind he was and what a big heart he had. I know he loved his family and friends with all his heart. I will always have the sweet memories of watching him grow up and enjoying spending time with him. He was one of a kind with a kind heart and loving spirit. He will be greatly missed and thought about often.*
