“ *Crystal was my friend. We sat together at church. She was the sweetest girl and so funny too! She knew all the songs and her favorite was I'll Fly Away. She loved Jesus and she was a wonderful witness for Him. I will never forget her. I loved her with all of my heart.*

I was honored to know Crystal, she was a beacon of light & happiness. I remember her trying to tell someone her story, sometimes if you asked her to tell you again what she said. She would use one little hand to shake at you and say one more time, that was it. She is an Angel who I will see again sitting at the right hand of God. I truly love her.

“ *I loved her singing beside me in church. Even on days I didn't feel like singing she would not only inspire me to sing but sing louder and from the heart! Such an Angel and will be missed by so many.*
