“ I am very saddened to learn of Dales passing. He was a friend in high school. I played music and played with Dale on many occasions. Later , the band I was in lost its drummer and Dale played drums with my family band for a long time. Dale was a good friend and a good musician. My prayers go out to his family.

“ I was very saddened when I heard about Dale's passing; he was a kind and gentle person always willing to help. We moved to Gardendale in 1962 a couple of doors down from his family. He was 9 months older than me and we became really good friends. Dale was a part of my family and I a part of his, and a talented drummer and over the years shared his talent with me. He and his brother Gary were big pranksters growing up and we had a lot of fun. I enjoyed listening to their band "The Reactions" practice in their basement and playing on their Dictaphone recorder. When we moved to Atlanta around 1972 I lost touch with him and am sorry I let the miles and years get between us. Many fond memories still linger in my head that I will never forget. God bless you, Robbins family...with lots of love, Brian Ward.
