“ Jeannie and Beverly and family. I was so sorry to hear about this. Please know that you all are in my prayers.

I still remember when Dana went to PCB with me, Lettie and Terilyn. We had so much fun. Miss our days at Fellowship. Those were some really special times. Great memories and friends.

Praying that God be with you all during this difficult time.

*Love,
Cheryl Smith Freeman*

“ I have many good memories of Dana. She was our neighbor, friend, honorary aunt to our children and like a sister to me. We had so many good times. From trying to rescue cats on a motorcycle, grilling out, doing puzzles at all hours to more serious times. We went through good times and hard. She was a person you could count on for a laugh or a hug depending on what you needed. Her family was her joy. She loved to tease with her sisters, so whenever we saw anything with a witch on it, it was fair game. She took care of people. That's who she was. She will be greatly missed. Our family is saddened by her passing and we are grieving the loss. If there is anything we can do, please let us know. Our thoughts and prayers are with you all.
