“ *My heart goes out to all of you, these next months will be the hardest you will experience. Time does not heal so don't expect that to happen but trust in God and he will help you learn to live with your loss. One thing that keeps me going since we lost Jayson are the wonderful memories we made and more importantly that he knew how much we loved him. David also knew the greatness of your love for him. My heart breaks for all of you, this will be a very hard and trying time for all of you, I'll be praying for you. Please let me know if I can help you with anything.*
