“ *Delores was one of my all time favorite neighbors. I met Delores years ago while doing my daily walking in our neighborhood. She was forever working in her beautiful yard and I would stop and talk to her. Instantly fell in love with her and began visiting her to check on her, especially if I didn't see her working in her yard as I walked by daily. I will truly miss her and always remember her as a true friend. Robert Leatherwood*
