“ *Dad it's been over a week now and I miss you more and more everyday. You was the best father and grandfather that I could have ever asked for. I know you are walking the streets of gold and I know you are happy praising our savior but it just doesn't make it any easier here without you. We miss you so so much. Wait for us at Heavens gate because we will see you again and we can't wait to spend eternity with you. I will always love you.*

*Love you

We made some good memories when we were kids. I always enjoyed yalls visits and I always enjoyed visiting y'all. He was always there to help your mother. He would have given the shirt off his back to anyone. And I have some fond memories of when Jasmine was little and your mom was staying here. Her and Aunt Sue were best buds. He is in a better place than we ever are here on earth and I would wish him back as sick as he was but I wish I could see him again and tell him how much I love him. We will all see everyone again someday. And what a joyous occasion that will be. We love you too!!
