“ I was looking through some old addresses from the 70s and found Don's, did a web search and sadly found this obituary. I met Don back in our "hippie" days, back then when you met someone with long hair there was an immediate kinship, and we both did. He was just passing through but stopped in and ended up moving in with several of us who lived in an apartment in West Monroe, LA, seems he only stayed for a couple of months. I later remember visiting Don in Panama City Beach where his grandmother(?) had a motel near the beach. Sorry to find out about his passing, wish I had looked for him sooner, we occasionally pass through AL and could have visited. -Mark Wilson

“ My thoughts are with the family and friends of Don. In Psalms 46:1 "God is for us a refuge and strength. A help that is readily to be found during distresses."
