“ *The Mcswain family has a special place in the hearts and lives of many. I am one of those many people positively influenced by Mike and his family. Our families attended Central Baptist church for decades together - and the faith of this family has been a shining light in the community. We also ran cross country and track together and Mike was indeed a talented runner. Mike was my friend on earth and will be waiting as my friend in heaven. God bless the family as they honor his life and legacy.*

“ *I worked with Mike for many years at Protective. We saw less and less of each other the last few years but he was truly one of my favorite people to work with. Conversations with Mike always left a smile on my face. I am sad he is gone but happy to have known him.*
