“ Vickie and family:

I thoughts and prayers are with you all at this time of great loss. I know how much Dottie meant to you all and how much she will be missed. I pray that God will give you the strength that you need to get you through your grieving process. Just ask and you shall receive his peace.

I AM FREE Don't grieve for me, for now I'm free I'm following the path God laid for me I took His hand when I heard Him call I turned my back and left it all. I could not stay another day, to laugh, to love, to work or play. Tasks undone must stay that way I've found that peace at the close of the day. If parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, Ah, yes, these things I too will miss. Be not burdened with times of sorrow I wish for you the sunshine of tomorrow. My life's been full, I savored much Good friends, good times, a loved one's touch. Perhaps my time seemed all to brief, Don't lengthen it now with undue grief. Lift up your hearts and share with me, God wants me now, He set me free.
