“ The best memories I have are the weekends my sister and I would stay next door with her sister and brother-in-law (our grandparents). There was never a weekend that I can remember us not getting together with her or visiting for a couple of hours on the back porch after working in the garden or the yard. I just always remembered how close she and Mama were and how much love she had for her family. Us all going to church with her, great-grandmother, and mama as well will always be a part of me!! She was a treasure and I know she's celebrating with Jesus today!

“ We 1st met Momma Dorothy at Crocker Assembly of God. She always exhibited her faith as being strong in Jesus. There was never a time that she didn't have a scripture that was to comfort or grow us. Her race is won. We will miss her, until again Momma Dorothy.
Prayers for everyone, Lonnie and Shena Moon

Mrs. Holdsomeback could make the Best Biscuits #1 in the world. I'm so sorry that I never got her recipe. I Will always remember her having rollers in her hair on Saturday getting prepared for Church. I loved her so much.
