“ *DJ was only in our lives for a few short weeks but he's forever in our hearts. He was such a precious and beautiful baby who thought he was grown from birth. I had the privilege of spending the night with him and his mom at the hospital his first night so I got lot's of sweet snuggles. I'll cherish every sweet smile and hold onto those precious memories until I see him again. Forever in our hearts, Aunt Karen & Uncle Mark*
