“ We were so sorry to hear about your loss. We will always remember Sissy from when we went to Gardendale Church of God. She was a very sweet and loving person. She has gone to be with our Lord and Savior and hopefully it will not be long before we will all be together in paradise with our Lord. We will keep you and your family in our prayers.

“ To the Kennedy Family,
We have watched you handle your trials in such a Godly way. We are so sorry that now you are facing yet another. We are in the midst of a storm with our own family but we will lift you up in prayer. We have learned that this is all that keeps us going sometimes. I pray that you can remain strong and know that this is temporary. We will all be praising the Lord together soon. Hold on to to God and don't let go!! Call me if I can help.
With the love of Christ, Larry Florence and Family Rev.21:4 1Peter 5:10

“ *One of the most loving, graceful and forgiving people I have ever had the pleasure of knowing. I loved listenig to all the chidhood stories. She always made me laugh. I had told her once how blessed I thought she was, but now I know it was me who was blessed because I got to know her and spend time with her. Love and Prayers to her family.*
