“ I worked with Gene for several years at Virginia College and am deeply saddened by this news. He was a dependable medical tutor and enthusiastic about helping people, be they patients or students. He loved his family and his faith. He was a colorful flower in the garden and will be missed. My condolences to his family whom I never met but feel a connection from Gene's stories.

“ Even though I had only known Gene a short time, his excitement about life was contagious. He had recently started working from home with Ameriplan and his enthusiasm was obvious. I was saddened to hear the news of his sudden passing. My sincerest condolences to his entire family. Mary Schmidt, Gene's Ameriplan recruiter/trainer
