“ I loved your mom, and I saw her a couple of years ago at the grocery store. DeLana was with her, and we stopped and talked for a few minutes. I don't know that she ever recognized Who I was, but that did not matter to me, what mattered to me was that I got to spend those few minutes with someone so very special. She was always beautiful, kind and gentle and my only regret is that I did not get to spend more time with her. I am so very sorry for your loss, and those words are really inadequate to describe what her passing means to all that loved her. God be with you all during this time in your lives, and may he grand you peace and comfort.

I will always remember Eva's loving, strong soul and her birthday. She was a friend of my family before I was born, as is her family to me. Peace be with you all. Much love and hugs.

“ She has been my mother-in-law for almost 51 years and I can say that she has been so very good to me all through the years--the best mother-in-law I could ask for! I loved her very much.
