“ Dear Donna and All, I just heard of your loss and am so sorry your Mom is gone. I have always found her to be a really special woman. She had to be the least judgemental person I have ever known. Knowing she was on this earth made being here lots more fun. Wishing you the best and hoping to hear from you soon. Arline Bryant 938-2524

“ 4/23/07 I was sorry to hear about Evelyn passing. I knew her from my working at Wal-Mart. She was a friendly & caring People Greeter. I met her while working at the store when it was on Hwy. 31. I then went to the Lakeshore Store to work & when I stopped to shop at the store on Hwy. 150, I would talk to her. My thoughts & prayers are with her family at this time.
