“ *Mr Posey was such a wonderful man. He lived to chat about just about anything you wanted to. We talked about visiting Israel the last time I saw him in my office then at the market we talked about green plums and how he would call me as soon as he had some. He was a fine gentleman. Man and a wonderful father. I'll never go into the market again without wishing was there, handing me the green plums he'd saved for me. Rest in the arms of our Lord and Savior, Jesus Christ. I'll never forget you sweet Mr Posey. You were one of a kind. They don't make men lik you any more. ❤️❤️❤️ Paying for sweet Gena. and her boys for God to ease their broken hearts. God will help you all . Just lean on Him. †❤️†*

“ Mr Frank was a fine Christian man. He took me on my first flight in Cessna 172 and introduced me to the love of flying. I have followed that love for 36 years and am currently an A300 Captain at UPS. Thank you my friend for making a difference in my life.
