“ I had the distinct honor of being a classmate of Frieda Lu at Corner class of 1970. Over the years I had firsthand knowledge of her compassion and care for her community while she worked with the fire department. She will be greatly missed as I give heartfelt condolences for her family. She will always be remembered as a truly driven servant of her community. May the Lord hold her in the palm of His hand.

“ So many thoughts rush through my mind when I think of how awesome Fredda was..she was such an inspiration to so many..always there to help or assist in any way she could. Her years of service in the Corner Fire Department was a blessing to the department. Her love of her family was so apparent whenever she spoke of any of them. This lady will be sorely missed, but God and Heaven have been blessed with an awesome Angel.

“ Mrs Fredda was always there when you needed her whether it was a brush fire that got out of hand or your loved one in dire straits she would always be there with reassurance that it was going to be ok. The Corner community has lost a dear and caring soul. She will be forever loved and missed.

“ I live in corner and my daughter has epilepsy and everytime we have had to call the fire department because she wouldn't stop seizing, I knew Mrs. Fredda was always going to come and take care of my girl! Every time she came into my home she brought such a sense of relief and reassurance that everything was going to be ok. This amazing lady has such a caring heart! And will be missed greatly by our community, she has always gone over and beyond to serve and protect the people of her town!

“ Words are insufficient to honor such a soul. Our community is at loss. I have never seen the equal of the Tingle / Cummings family when it comes to living a life characterized by the edict "Love Thy Neighbor." Her place in Peace is well earned and will not be soon forgotten
