“ My name is Frederica "Freddie" Everette RN . I am one of the many nurses that cared for Freddie . I enjoyed caring for Freddie as well as his family. It gave me joy to witness such a close-knit family that loved Freddie so much! Although I was unable to communicate with Freddie; the memories that his family shared with me will be unforgettable . Freddie no longer has to suffer with the difficulties of life. God assures us that he will strenghten and help us(Isaiah 41:10). He is going to do just so in your time of grief. I pray that God continues to bless you all . To Mr. Buddy," I'll see you in a minute." To Mrs. Susie, " Keep your head up and continue to be the blessing you are to many, thank you for everything !" To the family," It was a joy to meet and build memories with you all, safe travels." My sincere condolences to you all .
