“ So sorry to hear of Geneva passing. Have not been able to see her for many years, since I live in michigan. I always thought she was a great aunt growing up in Arkansas. I am a nephew son if Lawrence Brooks her oldest brother.

“ Gigi-a precious Gem more precious than a sapphire, stronger than a diamond and more unique than a musgravite. My memory of her...her love for me, her love for Kourtney and all my family, her listening hear, her encouragements, her compliments, her always being there for me day or night, but most of all giving me an example of what a Proverbs 31 Christian woman looks like in person in today's time. I will carry the memory of our Gigi in my heart and soul forever ❤️ "I love my Gigi"
