“ I have only known Gerold for a short time in his life but I feel as if we have known each other for ever. Some of our greatest times are of hunting together. You could say he was a sure shot. I remember coming in and Gerold was cleaning three pigs. Wow i said how did you pull that off and he said I shot one and it fell the other two didn't leave so I took them out. Stories of when they were young running dogs and the hunt was on. Great man with a large heart. And a fabulous family. Love you and dearly going to miss you. My heart goes out to the family.
