“ Don (Silvertongue) between you and I. When I would call your home checking on you, or just to talk about the past days with Allstate, it got to where I always wished Gerry would answer the phone. LOL . She was always nicer to me than you were.

Don I know you will miss her, you and your daughters, grandchildren are in my prayers. I will put you and your family on our church prayer list tonight at Bible Study. As I have told you before if you need me or Carolyn we are as close as your phone. If you forget how to use it get one of your grand children to help you. That is what I do.

Love you and GOD be with you and your family in the coming days.

“ Good childhood memories of Gerri & Don Campbell. They were my Sunday School teachers at Calvary Baptist Church, Fountain Heights, Birmingham. As a young married couple, they would take us girls riding in their convertible. They never tired of teaching us about God and HIS way. Thankful for them & their guidance & witness.

“ *Such a beautiful lady. We all grew up together in the Warrior area. My mother and hers were good friends, they would sit on the porch of one of their houses and visit while all us kids played. Such sweet memories! Then after several years I got to know and love her daughter, Wendy. Loved when she and Dana Yeager would come to my house. My little grandsons loved them. My love and prayers for all of Gerri's family.*

“ *We all lost a jewel this week! Geri was the kindest most thoughtful person I have ever met. She was concerned for others in a way I had never known. I am a better person for having known her and her beautiful family. They are the truest of friends and have been there for me in some of the most difficult times of my life. I will truly miss you Geri and look forward to the day when I can see you again!*
