“ *I wanted to extend my sympathy to the family and friends of Glenda South. Though I did not know her personally, I do know the pain of losing someone very dear to me. In 2 Corinthians 1:3,4 it says that "the God of all comfort" comforts us so that we might be able to help comfort others. What has helped me are the hopes and promises held out to us in God's Word. It is so encouraging to read the promise Christ Jesus spoke of at John 5:28,29. Also the accounts of him demonstrating his God-given ability to do this. (John 11:11-44) Reviewing these accounts has helped me so much, and continues to help. I sincerely hope that they will do the same for you. Continue looking to the love and support of those around you and to our Heavenly Father who has promised that "he himself will sustain you."-Psalms 55:22*

With sympathy,
