“ My thoughts are with the Ray family. It is not easy to lose someone we love in death. I find comfort by turning to the bible. I like the words in Psalms 46:1 God is for us a refuge and strength. A help that is readily to be found during distresses.

“ I will always think of my Uncle Glenn for the many good things he did. One I always remember is when I was 5 years Glenn was always trading things for something else and one day he told me he was going to trade for aushman scooter and would let me ride it. I was elated, and thats how I remember Uncle Glenn, a scooter ride many years ago and more recently us riding our Harleys at Sturgis in the Black Hills of South Dakota. Thanks Uncle Glenn!
