

Gregory Scott Gravitt

April 16, 1968 - January 19, 2023

Gregory Scott Gravitt of Gardendale, Alabama, born in Birmingham, Alabama on April 16, 1968, went home to be with our Lord on January 19, 2023 at the age of 54.

Greg was a loving husband, father, son, brother, uncle, and friend. He is survived by his beloved wife of 28 years, Day Biddle Gravitt, son, Noah Gravitt, and daughter, Darby Gravitt, parents Bill and Pat Gravitt, sister Jeanie (David) Null, brother Barry Gravitt, and many nieces and nephews. He loved taking care of Day and doing little things for Noah and Darby just to make them happy. He loved them all so well.

Greg was a true man of God, who showed us all what it means to be a Christian.

He was a devoted gospel preacher and bible teacher, most recently working with the

North Gardendale church of Christ. Greg touched countless lives with the word of God

for more than 25 years and loved nothing more than sharing the good news of Jesus

Christ. He endeavored to live Philippians 2:3-4. Greg made you feel special

because,

to him, you were. He was truly a blessing to those who knew him and will be missed

beyond measure by his family and friends. We have full confidence that he is home

with God and that the impact that his life had will continue.

Visitation will be Thursday, January 26, 2023 at 10:00 with a service to follow at 11:00 at

the Gardendale Heritage Funeral Home.

“ I can't thank Bro. Greg for the memories. He was an encouragement to my son and family. We missed him when he moved but knew he was just a call away. I know he is singing and praying with the Lord now. I will be praying for his family.

“ Greg (and Day) made a difference in my life when I was going through a very difficult and painful time. I will always remember Greg as a genuine, kind, godly man and a wonderful role model for my children (particularly my sons). I am so very sorry for this loss. Much love to and prayers for the Gravitt family.

“ *When I was in middle school mr Greg would pick me up from school every now and then. One time I was telling him about a book I was reading and how the kids placed coins on the railroad tracks. I was so interested in it and I wanted to do it so bad! I was so curious just to see what would happen haha. When I was telling him he also sounded interested. So he agreed to help me do it. This was when you all lived in downtown Lagrange so the railroad tracks were right in front of your house. So we did it and I thought the train was never going to come (I was very impatient). But it eventually did! I remember being so excited. I still have all of the coins and they mean so much to me. That was such a core memory. I have so many more great memories with him. He was always so good to me and he had such a huge impact on my life. - Lindsey McIntosh*
