“ Greg 'Peck' Price was a great brother, never considered he or Michael or Jeff as step brothers, we had a very close family and have many cherished memories of growing up and close family ties with the entire combined family. He will be truly missed by many, my heart felt condolences to Tammy, and all of the family during these sad times.

*Tammy, you know how much I thought of Peck, I always called him the
miracle man. He could have left the old earth several times, but God
had other plans for him. I called him friend because he was so easy to
get to know. I sure Miss him, we most of the time came into church
together, Tammy had already made her way in. Love to you Tammy &
Tyler and the rest of the family.*
