

Henry Blackman

December 3, 1976 - August 24, 2022

Beau Blackman, loving father, devoted husband, animal whisperer and senior partner of Well Being Medicine for Animals, stepped into glory after a battle with an aggressive form of metastatic melanoma. Beau grew up in Birmingham and resided in Gardendale. He is survived by his wife of almost 10 years, Dr. Natalie Blackman, and his daughter Hannah Grace. He is also survived by his mother, Mary Ann Blackman and father, Henry Edmond Sr. “Hank” and brother John Harris “Jake”, (Holly) Blackman.

Beau was a member of Church of the Highlands, Gardendale. Beau attended Briarwood Christian School and Auburn University. He worked at One to One Personal Fitness and had many beloved clients. In 2014, Beau and his wife, Dr Natalie established and built Well Being Medicine for Animals, the only holistic veterinary clinic in the Birmingham area. Beau dreamed of taking care of animals as a child and while he fulfilled that mission, Well Being Medicine will never be the same without him. Beau loved the lake, fishing, hiking, the mountains and searching for Big Foot with Hannah Grace. The most outstanding accomplishment Beau had was knowing Jesus as His Savior and making His love known to others. He finished well and his family is grateful for all the kind thoughts and prayers as they go forward.

The funeral will be held on Friday, September 2nd at Gardendale Heritage Funeral Home

“ Dr. Natalie and Hannah, my heart is so heavy for y'all. Beau will be greatly missed. He had so much patience with my Callie Ann. She wasn't the nicest beagle, but she loved both of you. Thank you for helping her and making her last days with me pleasant ones. I hope she met him at the “pearly gates” and walked with him on the streets of gold. My prayers are with Dr Natalie and Hannah. Just remember it's not “goodbye” but “see you a little later.” 💔😇💔

“ *I love you so much Dr. Natalie. My heart is absolutely shattered for you and Hannah Grace. I believe in what you do and what you and Beau created together. The loving care given to my Madison to bring him back to full and vibrant health will never, ever be forgotten. Beau was so gentle and patient with him....despite being a handful. I pray that God sends his Holy Spirit to wrap his arms around you and give you comfort, peace and strength. I also pray that he puts the right people in your path that can help you carry forward with the important mission you and Beau built.*

“ Dr. Natalie and Hannah, I just can't find the right words to say how very sorry it is to hear of Beau's battle with cancer and his passing. I think Beau spent extra time in the exam room just to be with Scout. He always laughed at the stories I told of Scout chasing and sometimes catching squirrels in the back yard. Prayers that God will carry you both through this difficult time.

“ Dr. Natalie, Hannah, and family, I am so sad and shocked to hear about Beau's passing. We feel like you all have been family, as we came to find you in Birmingham. You and Beau and everyone at Well being, with kindness, love, and patience, cared for our pet family. I have the utmost respect for you and Beau and what you have done together as a family. You and Beau are loved by so many. I am glad to have known Beau. Our prayers are for and with you. Love to you all, from the McCauleys.

“ Dr. Natalie and Hannah Grace - our hearts are broken. Skipper and I loved Beau. Skipper always wanted to hug Beau and I'm not sure what whispers he shared with Skipper as he received his hug but I know it was love in its purest form. Beau's crown is full of jewels as he cared for all of God's creatures. May God surround you now as you begin this journey without your partner and best friend. Know that ALL of us patients from Well Being are here to love and support you as well. So much love to you,
Patti Rosenow and precious Pup Skipper
