“ *My Uncle Henry will be missed by all of us.
His grin was priceless whether he was winding up a snapper
offshore, providing shooting instructions or just telling a good joke.
The memories are what comfort us all during these tough times.
Now he is home with his brothers Harry and Bob, and I'm sure they
have been discussing the best fishing holes and Granny is waiting
for them to come home after playing in the creek so she can fix
some dinner.*

We will miss you!
