“ I am (or was) one of the young men affected by Gene in my youth. He taught my Sunday School Class at Northside Baptist for several years in the 70's. Some of my favorite memories of this time involved Gene and his "Fishing/Camping Trips" I will always remember his love of God and his willingness to share his time and efforts on others. I will miss knowing he is "there, if needed."

“ I had the pleasure of being in the company of Mr. Reeves on several occasions through my friendship with Beverly. I know that many people loved him and rightly so. A nicer and friendlier man would be hard to find. I had the honor of photographing his 75th birthday party for the family and by the attendance there I know a great number of people will be missing him. My condolences to the entire family during this time of sorrow.
